Subject: Proposed Title V Permit for Western Refining Southwest, Inc. - Wingate Facility

Dear Mr. Lakin:

Enclosed is a copy of the Proposed Permit, Statement of Basis and supporting documents for Western Refining Southwest, Inc. - Wingate Facility, located at Section 16, Township 15N, Range 17W, 6 miles East of Gallup, New Mexico on the Navajo Nation. The Navajo Nation EPA ("NNEPA") intends to issue this permit in accordance with the provisions of Title V of the Clean Air Act, 40 CFR Part 71, the Navajo Nation Operating Permit Regulations ("NNOPR"), the 2004 Delegation Agreement between EPA Region IX and NNEPA, and all other applicable rules and regulations. The Permittee, Western Refining Southwest, Inc. - Wingate Facility, is authorized to operate air emission units and to conduct other air pollutant-emitting activities in accordance with the permit conditions listed in this permit.

Navajo Nation Environmental Protection Agency ("NNEPA") had public noticed the draft permit in the Navajo Times, Window Rock, Arizona on April 12, 2018 and Gallup Independent, Gallup, NM on April 18 and 25, 2018. NNEPA also sent out Affected State, Local and Tribe letters to the Arizona Department of Environmental Quality, New Mexico Environment Department, and the Zuni Tribe.

The public comment period ended on May 11, 2018. NNEPA conducted a public outreach and informational session on the draft permit and the submission of public comments at the Church Rock Chapter House on April 27, 2018 where questions raised were also answered. NNEPA received no comments on the draft permit.

The proposed permit and the supporting documents are also available on the NNEPA Operating Permit Program website at:
